Hello, my name is
Emmanuel Fambayi
And I'm a Software Engineer

About me

I am Emmanuel Fambayi, I am a software engineer and a forex trader .

I am a tech enthusiast, and a **btech in Information Technology** student at Harare Institute of Technology in Harare Zimbabwe. I have a strong passion for developing all sorts of software from simple personal apps to large scale enterprise software and trading the forex markets. I like to take risks because I am a good risk manager. My other topics of interests include **Machine Learning(ML), Deep Learning, Big Data Analytics, Data Science and Artificial Intelligence(AI)**.
